Breastfeeding Practices

MacGregor E, Hughes M. Breastfeeding experiences of mothers from disadvantaged groups: a review. *Community Pract*. 2010;83:30-33.

McFadden A. Many factors can determine whether a woman continues to breastfeed: knowing that breastfeeding is good for the baby is important to mothers but breastfeeding in public continues to be a negative experience for some. *Evid Based Nurs*. 2010;13:93-94.

Breastfeeding Promotion

Chaparro CM, Lutter CK. Increases in breastfeeding duration observed in Latin America and the Caribbean and the role of maternal demographic and healthcare characteristics. *Food Nutr Bull*. 2010;31:S117-S127.
